CALL TO ARTISTS!

Girls Inc. of Pinellas Seek Donations for Virtual Art Auction

Pinellas County, FL (November 24, 2020) Girls Inc. of Pinellas is excited about the opportunity that they are extending to local artists during which they can help support their mission of mentoring and encouraging young girls to be strong, smart, and bold leaders of tomorrow! What better way to give back during this season of giving!

Girls Inc of Pinellas is seeking donated artwork from local artists who wish to give back by donating a selected piece of art for inclusion in a virtual fundraiser via an Online Auction that will go live each month with a new piece of art. The organization is happy to include information about the artist to accompany the art. Since this is an ongoing monthly virtual auction, a deadline does not apply. As long as Girls Inc of Pinellas is receiving the donated art, the monthly auctions will continue on! The virtual event will also be promoted on the Girls Inc of Pinellas social media platforms.

The non-profit is seeking artwork to be donated that reflects their mission: Girls Inc. of Pinellas's programming - in partnership with local schools and organizations - focuses on the development of the whole girl. A combination of long-lasting mentoring relationships, a pro-girl environment, and research-based programming equips girls to lead fulfilling and productive lives, break the cycle of poverty, and become role models in their community.

Artists are asked to email info@girlsinc-pinellas.org with their contact information and images of their art for consideration. To learn more about Girls Inc of Pinellas, please visit www.girlsinc-pinellas.org
