What you should know about Girls Inc Rules, Conduct and Discipline Procedures:

Girls Inc. of Pinellas values safety as the highest priority for the girls in our care. Center rules are designed with safety in mind and we ask all families to help us in maintaining a safe environment by supporting our center rules, conduct and discipline procedures below.

Girls Inc has a zero tolerance policy for bullying and physical aggression or violence. We model the appropriate behaviors and abide by licensing regulations governing Pinellas County Children's Centers.

Girls Inc staff is trained to handle conflicts in ways that encourage girls to compromise with others, to develop self-discipline, and to resolve conflicts in a non-violent manner. Our program staff:

- Observe and allow girls to resolve conflicts on their own.
- If the girls need additional encouragement, we offer mediation as necessary.
- If the problem persists or escalates, we separate the girls for a “cooling off” period.
- If the problem ***a) creates a safety concern, b) escalates to a physical/verbal altercation, c) is unmanageable and/or repetitive, or d) continues to be a distraction during activities,***

we discuss the behavior with the parent. Depending on the behavior, we may need to complete an incident report.

If the problem is ***an immediate safety issue or if physical violence results*** after taking the above actions, parents of each girl involved will be called. Any girl participating in physical violence will need to leave with their parent and may be suspended for the next day.

What You Should Know About Transportation:

Safety and behavior policies while being transported are outlined by each driver. Families will receive notification of violations reported by drivers. Repeated violations of safety and behavior policies could result in suspension of transportation.

If your child is under the age of 6 years old and/or weighs less than 40 lbs, they may be required to be seated in a child restraint device. Check Yes, if your child requires a restraint device **OR** check No, if this does not apply to your child.

How You Drop Off and Pick Up; Sign In and Sign Out your child:

Children are required to be escorted into the Center by a parent/guardian or authorized pick up person listed in the Emergency Contacts section of the Child's Enrollment Record contained in this registration packet. Parents/Guardians or pick up persons may be asked to show their photo ID at any time throughout the term. Girls Inc of Pinellas uses a computerized scanning system that assigns a unique bar code to each child located on their individual ID badge kept at the Center front desk. Parents/Guardians or pick up persons must make sure that each child is signed in and out each day of attendance. Parents are responsible for arranging child pick up prior to the center closing at 5:30 pm. If a child remains after closing, a late charge of \$1 per minute will be charged to the family account. A non-emergency call to the appropriate authorities will be warranted after 6:15 pm.
